He was subsequently transferred to Kampli where he was tried for the offence of criminal breach of trust, he was tried and convicted. The Surety bond was forfeited, and the Postal authorities requested the D.C. concerned to recover the amount from the Surety by Summary process under the Public Accountants Regulation I of 1893. The Regulation only applies to the case of Post office employees in the territories of Mysore, and not to those outside Mysore. Hence the D.C. could not take any action under the Regulation. The Post master General now requests that the Regulation may be suitably amended so as to bring such cases within its operation. The Residency request the favour of the views of the Durbar thereon.

Final Note by the First Member of Council

Subject:—

Amendment of the Regulation for avoiding loss by the default of Public Accountants, No.I of 1893.

One P.V.Runga Rao, was first employed in the Mysore Post Office and had then executed a bond for the due discharge of his duties and furnished two securities in Mysore.

He was subsequently transferred to Fraserpet where he was convicted for criminal breach of trust. The Postal authorities requested the Deputy Commissioner, Mysore, to recover the loss from the sureties in Mysore by summary process. He declined to take action as Regulation I of 1893 applies only to "Public Accountant's" employed within the Mysore State.

The Post Master General therefore requests through the Residency that the Regulation may be suitably amended to cover cases like the present one.

Section 3 of the Regulation has accordingly been amended to include cases like the one in question and this bill has been approved in Council.

As the subject is excepted from the cognisance of the Legislative Council under the proviso to Section 12 of the Mysore Legislative Council Regulation, 1907, it is not necessary to place the bill before the Legislative Council. The sanction of the Government of India will be obtained after approval of His Highness.

GEN. & REV. SECRETARIAT III JUDICIAL 23 MAR 1918

Dated Bangalore, 22nd March 1918

SIR,

* Return requested.

I am directed to forward a copy of letter No. IT-25, dated the 15th March 1918, with enclosures from the Post Master General, Madras, suggesting an amendment to the Mysore Regualtion I of 1893, and to request that the Hon'ble the Resident may be favoured with the views of the Durbar in the matter.

Legs 23/3

I have the honour to be,
Sir,
Your most obedient servant,

First Assistant Resident.

Letter No. IT-25, dated the 15th March 1918, from the Postmaster General, Madras, to the First Assistant Resident in Mysore, Bangalore.

-----:0:-----

I have the honour to say that a sub postmaster named P. V. Ranga Rao was recently convicted of the offence of criminal breach of trust with reference to an insured letter received for delivery in the Fraserpet post office. The letter was insured for Rs.100 and compensation to that extent was paid by the Department.

2. Ranga Rao had furnished a personal security bond for Rs.300, his sureties being M. S. Bhima Rao, land-owner, Mysore, and M. K. Ramaswami Rao, sub overseer, P. W. D., Mysore. After the conviction of the accused, the superintendent of post offices, Mysore division, applied to the Deputy Commissioner, Mysore District that summary action may be taken to recover the sum of Rs. 100 from the sureties to recoup the loss sustained by the Department.

The Deputy Commissioner, Mysore District, declined to take action under Regulation 1 of 1893 of the Mysore Government on the grounds that the Regulation contemplates the recovery of amounts misappropriated from post office employees in the territories of Mysore, who are only deemed to be Public Accountants and that as P. V. Ranga Rao was sub postmaster, Fraserpet which is outside the territories of Mysore, the provisions of the Regulation could not be applied in the case under reference.

The Government Solicitor, Madras, who was consulted in the matter is of the opinion that the Dy. Commissioner of Mysore is right in his interpretation of section 3 of Mysore Regualtion 1 of 1893 and if in cases like the present it is desirable to use the summary procedure prescribed by that Regualtion that can be done by the

the Mysore Legislature amending their definition of "Public Accountant" so as to include cases like the one under reference.

I, therefore, request that you will be so good as to move the Mysore Durbar with a view to having the Regulation 1 of 1893 of Mysore suitably amended so that the Department may not be subjected to any loss in future.

The documents detailed below are sent for favour of reference and return.
